

Are You in

# The Cloud?

**87%**

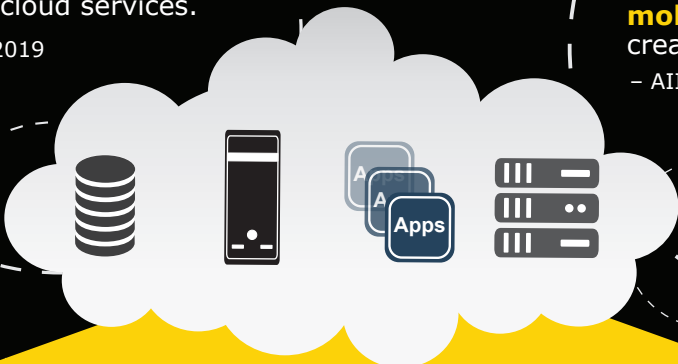

of companies experience **business process acceleration** by using cloud services.

- McAfee, 2019

**86%**

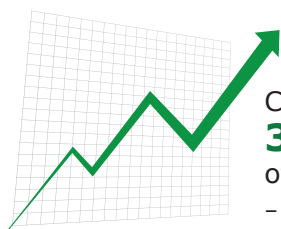

of CEOs say having a clear vision of how to **leverage mobile technologies** can create **competitive advantage**.

- AIIM, 2020

## Why should you invest in the cloud?

The cloud offers a lower total cost of ownership, shorter payback period, and the ability to increase benefits over time without increased IT costs.

Cloud deployments deliver **3.2 times the ROI** of on-premise ones.

- Nucleus Research, 2017

Companies that are **digitally trustworthy** will generate **20% more online profit** than those that aren't.

- Gartner, 2020

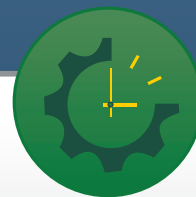

## How does cloud Enterprise Content Management (ECM) help you?

"PaperVision®.com contributes to our efforts to use resources wisely on the business side, in addition to our support for sustainable fishing. I wish everyone could see where we were then and where we are now!"

- Sherri Willand  
Accounts Receivable Administrator

"This solution changed everything we do - ImageSilo® has everything we didn't know we needed and affects how we efficiently build our projects."

- Brian McLaughlin  
Time & Materials

"We were up and running with ImageSilo immediately. Training happened so quickly - it only took two hours, because it was so simple!"

- Tammy Marinis  
Director of Compliance
